ECO CAMPING NATURALLY WRAPPED

Getting to us by Public Transport

From Dubrovnik Airport

There are no direct buses from the airport to Montenegro. You will first have to get the shuttle from the airport to Dubrovnik City bus station and then get a bus to the city of Herceg Novi in Montenegro. Technically, the bus driver is not allowed to stop at any point in between but given our close proximity to the Montenegro border we would advise that you simply get off at the border. It's not an official bus stop but if you point up the hill & explain you're going to Prijevor, he should understand. Then simply send us a text message and by prior arrangement, for a nominal fee of €2 we will come down to meet you.

There is a petrol station a couple of minutes walk from the border, which is a good place to head to if you need, free wi-fi, toilet facilities, refreshments or use of a phone. We are well known there.

Please note there are two border checkpoints. One on the Croatian side and one on the Montenegro side with a distance of about 2km in between. **Do not** get off at the first (Croatian) border checkpoint!

From within Montenegro or other Balkan countries

The nearest major bus terminal to Camp Full Monte is in the nearby city of Herceg Novi. This is well served with buses from other towns and cities both in Montenegro and other Balkan Countries. Enquire at your nearest bus station or stop. There is a train from Belgrade in Serbia to Podgorica & Bar in Montenegro but no other train services run in the region.

There are local "Blue Line" buses to and from Herceg Novi main bus station to our local village of Prijevor (5 mins walk from Camp Full Monte). A bus shelter and green bench in a large turning circle mark the place where the bus will stop in Prijevor. From here, follow the single track road signposted to the village of Malta. Camp Full Monte is less than 200m along this road.

There is also a more frequent "Blue Line" bus service between Herceg Novi Bus station and the Debeli Brijeg border crossing at the bottom of the hill up to us. This is known as the Sutorina Bus. The "Blue Line" buses will leave from the car park opposite the bus station.

Za Blue Line

Once at the border and by prior arrangement, we can come down to pick you up for a nominal fee.

A taxi from Herceg Novi to Camp Full Monte should cost between €15-20. Try to get a 'badged' cab rather than an unofficial taxi. If you arrive at the bus station looking for a cab, it's best to turn right and walk to the parking area opposite and a little further up the hill where the proper taxis wait.
